# FAQ

12

## 01. Can we book a tour?

Yes! Email us with your preferred day/time to visit (or call/text if that's your thing, 717-664-0503) and our sales manager, Brittany, will get you scheduled! We are typically available for tours Monday-Friday (day or evening) and most Saturday and Sunday mornings/afternoons (dependent on our weekend event schedule).

## 02. What taxes, gratuity, service fees, etc. are added onto the venue rental cost?

We like to have transparent & easy pricing, so the listed cost is what it is. No taxes are required for our rentals and services. Gratuity/tips for our in-house services are always appreciated, at your discretion. Any applicable convenience fees (for your preferred payment method) will be clearly outlined, with alternative options to avoid the fees.

## 03. What is required to reserve a date?

Our payment structure is 50% of the total venue rental fee due as your retainer payment (along with a signed venue agreement) to officially book a date! The final 50% is due 6 months prior to your wedding. We are happy to accommodate a more flexible payment plan upon request! A 48 hour soft hold is available if you need some extra time to officially decide once you tour (we understand it's a big decision!).

## 04. Why should we book with you?

We're not like every venue! We have involved venue owners and management that truly care about each couple that walks through our door. We are here to put your mind at ease, connect you with the best-fit vendors, and provide exceptional customer service with our experienced in-house wedding team to offer an enjoyable wedding day and planning experience! It just so happens that we have a historic, unique, and stunning building in Lancaster County to host your perfect celebration!
